To whom It may concern:

West New York Restoration of CT, Inc. is a construction firm specializing in the restoration of existing architecture. We employ a workforce consisting of 150 full-time employees and specialize in all types of roofing, facade repair and maintenance as well as concrete and stone paving repairs and replacement. We have been active in the New York Metropolitan area for 30 years. Many of the buildings we have maintained are designated landmarks. We understand the responsibility that owners face when they are obliged to adhere to the standards of the Landmarks Preservation Commission. With contemporary materials, technologies and techniques, we are able to help owners maintain the integrity of their structures and the historic character of the architecture at a reasonable cost.

If you have any questions, please feel free to contact me.

Sincerely,

WEST NEW YORK RESTORATION OF CT, INC.
